

VIKINGS DEFEAT TARTARS

As the final gun went off, gloom and broken hearts filled the air in the Samohi Stadium last Friday night as the Tartars suffered a 19 to 14 defeat.

For the first time in five long years of playing against Santa Monica in Bay League competition, the Tartars started out by being in the drivers' seat.

Only minutes had gone by since the beginning of the game, and already Samohi began to feel the drive and power that the Tartars had been wanting so long to show. Again and again Kasten drove through the middle of the line deep into the foe's territory where Burt "Pappy" Smith pitched a 13-yard clincher to Dennis Hester to draw first blood. Pappy then booted the extra point and Torrance went ahead, 7 to 0.

Then, with a series of through-the-middle and end-around runs the Tartars again were deep in the heart of Samohi territory, where Joe Lafferty, "THE MOST," pulled a don't-touch-me through right tackle and the Tartars had done it again. Pappy then converted for the second time. Score: 14 to 0.

The picture changed. The combination the Tartars had yet to see clicked. It was Douglas to Dorsey for 13 yards and a touchdown. The Vikings ran the conversion and it was good. With less than two minutes left in the half Douglas again took the ball, this time running for 40 yards and another Viking touchdown. The conversion was run again, but this time the Tartar line held and Torrance was still ahead 14 to 13. This looked like a safe lead till with only 10 minutes left the Vikings

scored again and lead 19 to 14.

From this time on the Tartars fought with everything they had, running hard, but to no avail. When the final gun sounded the Vikings had won and as the band played the Alma Mater you could see the heartbreaking look in the eyes of every Tartar whether in football uniform or sitting in the stands.

But more heartbreaking yet was the thought of how Head Coach Cliff Greybell felt deep down inside after coming so close to the victory he has waited so long to achieve.
